

**CHAMA RIVER FLOAT TRIP** with Dr. Paul Baur and Dr. Matt Zimmerer, NMBGMR

*Our Chama float trip with FLOW was cancelled last summer when dam repairs diminished the water flow. We're back again this year with NMBGMR geologists Drs. Paul Bauer and Matt Zimmerer, who recently published a new geologic guidebook of the Chama, as trip leaders. We'll run the river from below the El Vado dam through the designated Wild and Scenic River section to the Big Eddy take-out above Abiquiu Reservoir.*
